Education

J.C Bose University of Science and Technology, YMCA   Faridabad, India
                                                                          2020 – 2024(expected)

- *Bachelor of Technology – Electronics and Computer Engineering; **CGPA: 9.11***

Skills Summary

- **Languages**:   C, C++
- **Other Skills**:   Data Structures, Algorithms, OOPs, Problem Solving, Leadership, Event Management, Problem Setter

Experience

- **Problem Setter**:
    i)   Organised **Code Fury 5.0** (Coding Competition Organised on **HackerEarth** by Geeksman the Coding Society, J C Bose University) where I have created Competitive Programming Problems where more than 100 students participated.
    ii)   Set Problems for Geeky Mondays (An Online Coding Competition Organised by Geeksman)

Achievements

- **4* star 1894** rating (Max) on Code Chef. - February, 2022
- **Specialist 1540** (Max) on Code Forces – February, 2022
- **1715** (Max) on HackerEarth – February, 2022
- Solved **900+ Problems** on **CodeForces** and a total of **1400+** over Various Platforms (CodeForces, Codechef, AtCoder etc)
- **Global Rank 10** in Codechef September Cook Off
- **Global Rank 25** in Codechef January Long Two
- **Global Rank 62** in Codechef Starters 21
- **India Rank 99, 147, 196** in Various AtCoder Beginner Contest
- **Rank 1** in Round 1 of **Reverse Coding** organized by IEEE ADIT CS Student Branch, ADIT College, Gujrat with **113 participants**
- **2nd position** in the top three under **Reverse Coding Round 2** organized by IEEE ADIT CS SBC
- **Rank 6** out of **80 participants** in **CONCEPT TO CODE XI** Under DIGI FIESTA 2021, UCC and Digital Affairs, JC Bose University of Science and Technology, YMCA, Faridabad

Courses and Certifications

- **Programming in Java (NPTEL)**

Extra-curricular

Core Member at Geeksman – The Coding Society, JCBUST   Faridabad, India
- *Organised different Coding Competition, workshops and sessions for students.*

Member of IEEE YMCA SB, JCBUST   Faridabad, India
